

License Agreement for AC SAF GOME-2 Products

All intellectual property rights of the GOME-2 total column products provided by DLR in the Atmospheric Composition Satellite Application Facility (AC SAF) belong to EUMETSAT. The use of these products is granted to every interested user, free of charge. If you wish to use these products, EUMETSAT's copyright credit must be shown by displaying the words "copyright (year) EUMETSAT" on each of the products used.
